CLERK OF COURT  
U.S. DISTRICT COURT  
WESTERN DISTRICT OF MICHIGAN  
BY: ead / SCANNED BY: ead 11/20MOTION FOR SANCTION AGAINST BANK OF AMERICA FOR DENYING COREY  
BLOCKER HIS REQUEST FOR HIS ACCOUNT DOCUMENTS FOR HIS UNEMPLOYMENT  
ACCOUNT UNDER RULE 2.802(6)(3).

Corey Blocker makes said motion for this Court's record and on this Court's record. Corey Blocker is demanding that Bank of America be Sanctioned in the amount of \$26,000,000.00 a day. Because anything else is not going to give the defendant the incentive to give the information requested. Because Bank of America is now being blatant with how they are stealing Corey Blocker's money. The fact that Corey Blocker can prove that he gave Bank of America the 72 hours for Claims to Contact him, and the Claims department did not. Proves Bank of America knows its Guilt and to give the information would guarantee that Bank of America is liable for the full amount Corey Blocker requested. Therefore the amount in Sanctions would make Bank of America have to pay Sanction, and still the amount requested by Corey Blocker. Corey Blocker has stated that he needs the information to prove that the defendants are guilty of strong arm extortion, Corey Blocker is also stating that the 5g Tower that is sitting in front of the residence he stay at, was put there to Cause Corey Blocker bodily harm. But the fact it is also effecting the family at the residence. Is proof that this plandemic is a hoax and the sickness is caused by 5g and not Covid 19 which also makes the defendants liable for the entire Carer act, and to be hung by the Neck until dead.
